

Dear Team members,

We are pleased to announce that the next COSMOS team meeting will be held on May 2013 in Kyoto. Our website for the meeting is now online. Registration will be open on middle Dec 2012 at the COSMOS team meeting website (see below).

We are looking forward to seeing you at Kyoto.

2013 COSMOS Team Meeting

Date: 20 May (Mon) -- 24 May (Fri), 2013

Place: Clock Tower Centennial Hall in Kyoto University, Kyoto, Japan
(<http://www.kyoto-u.ac.jp/en/clocktower/>)

Meeting Website:

<http://cosmos.phys.sci.ehime-u.ac.jp/meeting2013/>

Registration page will be open around Dec 15.

Two or three reasonable hotels are reserved for us (100 rooms).

Scientific Topics:

- Large scale structures
- Dark matter
- Evolution of galaxies
- Active galactic nuclei
- High-redshift galaxies

Extensive new observations are ongoing or imminent so discussions will also be directed to science investigations with there datasets including:

- FMOS 0.9-1.8um spectroscopy
- HSC ultra-deep imaging
- JVLA 10cm imaging
- Spitzer 3.6/4.5 um deep imaging
- Chandra

- VLT-VUDS ultra-deep spectroscopy
- Ultra-Vista deep imaging
- NuStar

Important Dates:

- 15 Dec. 2012 - Registration open
- 31 Mar. 2013 - Registration deadline
- 15 Apr. 2013 - Abstract deadline
- 20-24 May. 2013 - This meeting

SOC:

- Nick Scoville - Chair
- Peter Capak - Co-chair
- Simon Lilly
- Marcella Carollo
- Dave Sanders
- John Silverman
- Tohru Nagao
- Francesca Civano
- Martin Elvis
- Vernesa Smolcic
- Eva Schinnerer
- Yoshi Taniguchi

LOC:

- Tohru Nagao - Chair
- Kazuya Matsubayashi
- Hiro Ikeda
- Mark Kobayashi
- John Silverman
- Takashi Murayama

Masaru Kajisawa

Yoshi Taniguchi - CO-chair
